## Beti Bachao,Beti Padhao

Beti Bachao,Beti padhao is a personal campaign of the government of India that aims to generate awareness and improve the efficiency of welfare programmes intended for girls.

According to census data it was revealed that population ratio of India in 2011 is 943 female per 1000 males. So we the NCC cadets of 6 KAR AIR SQN NCC [Flight-B] on 28<sup>th</sup> Oct 2018, Mangalore as a part of social activity decided to create awareness in the people of THODAR, regarding Beti Bachao,Beti Padhao. We being studying in the professional course decided to present it in a creative way .Instead of going to each and every house , we just presented it in the form of street play which grabbed the attention of the ramblers.

Giving awareness to the public during Beti Bachao Beti Pado event

There were around 30-40 people in the scenario, which means we created awareness among 30-40 houses in just 20 minutes. As a part of street play, the pedestrian and shopper keepers, came and saw us perform. As the crowd was created we started our performance.

The street play had three individual skits. The first skit was entirely about female infanticide and second was about the opinion and mind-set of the matriarch. And now the third skit was convincing that all kind of age people from 6 to 60 can understand it by telling them to support girl education.

The whole motto of this was to change the mind-set of the people and educate them about equality and girl education and stop female infanticide.
