WOMEN EMPOWERMENT CELL

REPORT OF SELF DEFENCE AWAENESS TRAINING

October 3, 2017

Harassment of women and girls is common in our society, and many of these incidents go unreported, leading to horrible crimes against women and girls. It is critical to address such complex situations in order for females to be able to protect themselves from negative consequences. We can secure a society full of robust and strong women who can defend themselves by forcing them to learn self-defence.

As a result, pupils exhibit self-defence training programmes to other girls in various classrooms. This has raised knowledge about good and bad touch among children, particularly among girls, alerting and encouraging them to speak up about unfavourable conditions.

REPORT OF ENTREPRENEURIAL AWARENESS PROGRAM

November 8, 2017

Entrepreneurship Awareness Programs are held on a regular basis at Alva's Institute of Engineering and Technology, Moodabidri, to cultivate the talent of young people by educating them on various elements of industrial activity essential for the establishment of MSEs, particularly among girls. Mrs. DivyaD'souza, President, 'EVOLVE'- a Women Entrepreneur Assn, Mangalore, was the expert on hand. These EAPs were designed for young students with available skills to encourage them to pursue self-employment. The pupils were highlighted and motivated by this Program on entrepreneurship awareness exercises. This also included useful information on product/project selection and project profile preparation, marketing avenues/ techniques, product/service pricing, export opportunities, infrastructure facilities available, financial and financial institutions, cash flow, accounting, and product casting, among other things.
