REPORT ON AWARENESS PROGRAMM ON CODE OF CONDUCT

HOD addressed the second year Mechanical Engineering students on 18th August 2018 about code of conduct among students. The students in College should follow the below mentioned code of conduct.

1. Maintain discipline in the campus, wearing of ID cards in the campus is mandatory.
2. The desks and other furniture should not be defaced by writing names and obscene remarks on them or even by drawing on them with pens, knives and other sharp instruments.
3. Bunking of classes is strictly prohibited, Minimum attendance of 85% is necessary.
4. The test shall be answered in Blue Books provided in college with pages serially numbered. If a student remains absent for all the Internal Assessment tests conducted, the Internal Assessment Marks shall be marked as AB for the subject.
5. The student shall undergo an Internship for 8 weeks i.e. starting from the end of 7th semester Examination after availing one week vacation and completing during the initial period of 8th semester. Completion of internship is mandatory; if any student fails to complete internship, he/she will not be eligible for the award of degree.
6. Mobile phone usage is prohibited.
7. Students shall not indulge in any kind of malpractice during Continuous Internal Evaluation (CIE) examinations and Semester End Examinations (SEE). If any student found violating this during CIE exams, he/she will be awarded zero marks in CIE and suitable counseling and disciplinary action shall be initiated.
8. Ragging is a crime. Any student found involved in this act will be punished as per the law.
9. A student having shortage of attendance in one or more subjects shall have to repeat the whole semester and such students shall not be permitted to take admission to next higher semester.
10. Maintain discipline when you are in the other college, representing for placement processor for participating in the co-curricular/extracurricular activities or for any other reasons.
11. The student admitted to 1st year B.E/ B.Tech. Shall complete the course within a period of eight academic years from the date of first admission, failing which he/she has to discontinue the course.

Report on awareness program on code of Conduct for Students: 2018-19

The orientation session on code of conduct was conducted on 16-08-2018 at 02:00PM in ISE Lab. Head of the department Prof Jayantkumar A Rathod addressed the students on Code of conduct and the following points were discussed.

1. During class hours a student cannot go out of the classroom without the permission of the teacher concerned. The use of mobile phones is strictly prohibited on the college campus. Students who violate this rule will have to face disciplinary action.
2. The college expects students of both sexes to foster a healthy and decent relationship both on campus and off campus. The very spirit of co-education lies in facilitating such a relationship. Any behavior contrary to this spirit is deemed unlawful and punishable.
3. During leisure hours, students are advised to use the library, and internet browsing centre.
4. When a teacher enters the classrooms, the students should raise and keep standing until they are asked to sit or until the teacher takes his/her seat.
5. Late comers are forbidden from entering the classrooms.

Report on awareness program on code of Conduct 2018-2019

Engineering is transforming science into useful products for human comfort. Engineering is something that engineers do, and what they do has profound effects on others. Ethics in engineering then is the ability as well as responsibility of an engineer to judge his decisions from the context of the general wellbeing of the society. Mr. Manjunath Kottari, HOD CSE addressed the students on professional ethics and code of conduct. This session was conducted on 06-08-2018 at 10:00 AM at AIET Auditorium. Around 98 students attended the session and HOD gave awareness about the following points.

REPORT ON AWARENESS PROGRAMM ON CODE OF CONDUCT

The Professional Code of Conduct is designed to reinforce our core values of Integrity, Innovation and Impact and create expectations related to professionalism and respect for others, both inside and outside the classroom. Members of the Alva's MBA Program are expected to behave in ways that promote individual, academic and professional development and contribute to a positive environment. Additionally, student behavior reflects upon the brand and reputation of our Program and Institution. The cods have been delivered to the students on 10/09/2018 at 9.30am by Ramakrishna Chadaga, Head of the Department MBA.HOD gave awareness on the following points.

1. Students are expected to read notices/circulars displayed on the college notice board. Ignorance of not reading any notice/circular displayed shall not be accepted as an excuse for failing to comply with the directions contained in it.
2. Students shall behave with dignity and courtesy inside and outside the college.
3. Students shall observe strict modesty in dress. All students will be in uniform on all week days except on Saturdays. On Saturdays, boys can wear formal dress (trousers & shirt) and girls can wear salwar-suit, trousers and shirt or kurta.
4. Black shoes with socks for boys, and plain black shoes for girls without high heels are permitted.
5. Personal grooming is essential for everyone irrespective of gender.
6. Students should wear identity cards inside the campus and also, when attending any meetings outside the campus. I-cards are to be worn round the neck and this is compulsory.
7. Possession of mobile phones during the college hours in the campus is strictly prohibited. Anybody found with a mobile, a fine will be imposed.
8. Students are not allowed to leave the institute premises during the institute working hours. If a student wants to leave the institute for some valid reasons before the closing hours of the institute, he/she has to have a letter of permission signed by the HOD.
9. Students shall not entertain visitors without prior permission in the campus.

Report on awareness program on code of Conduct

The talk on "Code of Conduct" to faculties organized by Department of Mechanical Engineering, Alva's Institute of Engineering and Technology 2018-19 was held on 11/10/2018 at 2.30pm at MBA seminar Hall.

Principal Dr. Peter Fernandes addressed faculties regarding the code of conduct and its implementation. He focused on faculty's privileges and protections, mutually supportive relationships between the faculty's special professional competence and the functions of the University. These relationships are also the source of the professional responsibilities of faculty members.

He also spoke about the professional Responsibilities, ethical Principles, and unacceptable faculty intent of the faculty Code of Conduct to protect academic freedom, to help preserve the highest standards of teaching and scholarship, and to advance the mission of the University as an institution of higher learning. Mr. Hemanth Suvarna proposed vote of thanks. Mr. Abhijit S was the Master of Ceremony. The session was attended by around 95 faculty members, including teaching, non-teaching, and administrative staffs.

Dr. Peter Fernandes addressing about code of conduct.

Report of Talk on "Professional Ethics"

Professional Ethics talk by Mr. Ajith Kumar.

The talk on Professional Ethics to all HoDs, Deans, Teaching, non-teaching and administrative staffs of Alva's Institute of Engineering and Technology was held on 16/8/2018 at 2.30 pm at room no 103. It was organized by Mechanical Department. Mr. Ajit Kumar addressed the gathering & the following points were discussed:

As engineering has a decisive impact on the development of the society, so employees of engineering colleges are required to take ethical components into consideration in relation to their students. Ethics is needed in every profession; it should be taken into account in working environments.

As faculty members influence their surroundings as well students, so it is necessary that they are equipped by ethical education and moral virtues and familiarized with ethical principles. What worthy here is professional ethics which depends on faculty member's attitude and knowledge about it?.

The spirit of cooperation and partnership with students, respect to educational rules of the institute, perform duties equably, humble and pride avoidance, do not use students for own affairs, avoid of humiliation of students, avoid students censurable, don't discriminate among students, account for proper teaching students.

The preferences of ethical components from the student's perspective are: Respect

Event: Strong foundation, problem solving attitude and free expression is the hall mark of competent and capable engineer said, Dr P Nagbhushan, director, Indian Institute of Information Technology, Allahabad.

He said, "Our heart should echo with what we do, but not something which is compelled upon us. The whole process of learning should be pleasurable and meaningful to learner. Then only the core objective of learning would be served." Criticizing the process of preparing children, he said, "The process of preparing for something is foolishness, where as we should focuses on making our students learn comprehensively and act instantly on the gained knowledge."

Commenting on the present attitude of colleges behind the placing their students, he mentioned it has very unfortunate development, where learning is totally neglected. He said, "We should create an atmosphere where employer should come and ask for an employee rather than employee requesting for job with employer. However, the strong foundation, skill sets, creativity and confidence would accommodate candidate stand unique and make hirable anytime."

He said, "Engineering is creating that foundation which invisible repository of knowledge which shall be accessible instantaneously to solve a situation, at right point of time in right way. Once you gain this expertness, you would be in demand always. However, Alva's nurturing its students in same line and spirit."

Presiding over the function Alva's Education Foundation trustee Vivek Alva said that students should make use of the linkage between AIET and IIIT, Allahabad in their all spheres of learning.
