TREE PLANTATION DRIVE

04 Aug 2019

A Tree plantation drive, social activity was conducted by the cadets of Air Wing NCC/ Flt – B on 04 Aug 2019. The drive took place at Alva's Homeopathy Medical Garden, at Shobavana Camp, Mijar, Moodbidri. Total of 26 cadets and 37 NCC aspirants took part in the drive.

Flt Cdr of Flt – B had approached the forest department officer at Moodbidri to collect the sapling. Forest department had given the recommendation to collect the saplings from the Karkala forest department. Flt – B received 40 saplings of teak-wood plants from the forest department of Karkala.

The main aim of this drive was to spread and create awareness to protect the environment. We selected the empty places in the garden of Shobhavana campus to plant the saplings in a well-organized way. All 43 plant saplings were planted on this occasion. In order to restore the eco-balance of the afforestation, this tree plantation drive was taken with all seriousness. The tragedy is that we are bent upon cutting down the trees which were planted by our senior generations. It is very common sight that everyday numerous trees are cut down to satisfy the human needs and greed. The painful aspect of the picture is that none of us is ready to think of their replacement. Trees keep the stream of life running. Without trees, the atmosphere gives a barren look where there will be no sign of living organisms.

Keeping these things in mind we underwent tree plantation drive. All of them were highly enthusiastic to make it a big success. The cadets planted saplings and fenced them, watered the plants. **This drive was a huge success empowering the cadets with substantial knowledge of environment and plants and simultaneously enhancing their social skills.**

Forest Department was so kind, they provided us saplings. We on would like to thank the forest department for generous support in giving the samplings for the betterment of ecosystem.

We would also like to thank Commanding Officer & Staff of 06 Kar Air Sqn NCC, Mangalore for continues guidance and support in conducting these drives.

We also thank our Principal and Management for providing the vehicle and other necessary facility to collect saplings and in conduction of tree plantation drive.
