Student Solar Ambassador: 02.10.2019

NSS and YRC unit of AIET paid gratitude and adopted Gandhian ideologies while celebrating 150th Birth Anniversary Year of Mahatma Gandhi.

In view of the young minds need to be aware of the urgency to act for mitigating climate change and their role to become the ambassadors of renewable energy, particularly solar and spreading the message of Non-Violence towards the Environment, responded to the invitation by IIT Mumbai and joined The Gandhi Global Solar Yatra (GGSY) to promote self-sufficiency in energy for sustainability, mainly for those who lack access.

15 Volunteers were present and assembled the solar power lamps from the kits procured from the supplier suggested by IIT - Mumbai and celebrated Gandhi Jayanti by lighting the lamps assembled by them. Further to it, the assembled lamps will be donated to those who are in real need of it.

Outcome: As the volunteers themselves assembled the lamps, they understood its components and assembly techniques. They also understood the importance of solar energy in our country as well. Volunteers were sensitized on environmental sustainability, social consciousness and commitment.
