Beach Cleaning: 23.02.2020

As a part of continuous project, AIET – NSS team participated in the Hejmadi Kodi Beach Clean-up event held on 23rd February 2020 organized by the Mantra Surf Club, Mulki. A total of **45 NSS volunteers** attended the event. Prof. Bhargavi and Prof. Shruthi Shetty, as well as NSS Program Officer Prof. Suresh P S, accompanied the volunteers. More than 200 garbage bags of plastic and glass bottles were collected and segregated. The Managing Trustee, Sri Vivek Alva along with the directors of Mantra surf club, paid a visit to the site and met with the volunteers, applauding their active participation in such projects.

Outcome: The regular beach cleaning activity is planned in light of the fact that the trash not only impacts beachgoers' sentiments, but also impacts the environment and detracts from the natural beauty of the landscape. Volunteers were sensitized to the environmental sustainability, social consciousness, commitment, and team work.
