SRISHTI- The Nature Club

About the Club:

Human being is one among the dependent species of the world. He needs valuable natural resources such as water fruits minerals etc for his living. He also depends on nature for his living and is also protected by the nature. Many a times he forgets his duty towards the very nature that has protected him so far. Greed overcomes need and results in destruction of nature. SRISHTI a venture of the Alva's Education Foundation aims to remind the students of AIET about their responsibility towards conservation and development of nature by conducting various activities like guest lecturers, nature visits, workshops and many other competitions. It believes that this is possible only when we understand and appreciate the selfless contribution in our life towards nature.

“SRISHTI” is a nature and environmental club of Alva's Education Foundation (AEF) which offers wide spectrum of environmental and nature activities and platform to enhance, exhibit the relationship with Mother Nature.

The club conducts various learning and adventurous activities for students of Alva's Education Foundation (AEF) which attempts for overall development of students.

The Vision is to be a role model club by initiating innovative, creative and contemporary practices to secure Mother Nature.

The Mission is to emphasize in creating the awareness on environmental issues and its impact to the students of AEF.

The objective of the club is to conduct various programmes in an attempt to create awareness on environmental issues through

- Expert views on environmental issues.
- Sensitizing students on burning environmental issues through audio-visual programmes.
- To launch environmental awareness campaigns through posters and drawing competitions.
- Organize trekking camps at surrounding forest belts to explore the beauty of nature.
- To plant saplings and rejuvenate the forest belts.
- To celebrate World Environment Day (June 5th) at the Institute.

Activities of SRISHTI for the academic year 2020-2021

Massive Ocean Cleanup

Program Venue:

Sasihithlu Beach **Date:**

27/12/2020

Report:

Members of SRISHTI participated in Massive Ocean Cleanup Program on 27/12/2020 which was organized by Mantra Surf Club, Mulki. Around 30 student members of SRISHTI were a part of this massive ocean cleanup program. The student members collected the thrash along the sea shore and segregated them.

Event:

On 27th December 2020 “Massive Ocean Cleanup” program was conducted by SRISHTI club & NCC of Alva’s Institute of Engineering and Technology in association with Mantra Surf Club, Mulki. About 75 Students from SRISHTI club and NCC Air wing of Alva’s Institute of Engineering and Technology have participated with great enthusiasm in the event. On this occasion the participants were made aware of the need of beach cleaning in the current times and different causes that are causing pollution in the ocean. And they were also informed about how to keep the ocean clean. The student members collected the thrash along the sea shore and segregated them.

Faculty coordinators of SRISHTI club Prof. Yuvaraj and Prof. Parvez Shariff of NCC graced the occasion.

Latitude:13.070979793351787, Longitude: 74.77705290100769

Organizers addressing the students of AIET before the Massive Ocean Clean up drive

Outcome:

Around 75 students including Srishti members and NCC cadets took part in the event. Students understood the importance of beach cleaning and cleaned up a part of Sasihitlu beach.
