A Report On

Disable Friendly Environment in the Campus

Disable Friendly Environment in the Campus

The institute has built a disabled friendly environment, taking special care of some of the common problems faced by the differently abled in their independent functioning and mobility and has provided the following facilities to differently abled students, staff members and guests visiting the campus.

1. Provision for Enquiry and Human Assistance

Visit of differently abled guests to the campus, is supported by a staff member of the institute who will serve as a personal guide assisting them, catering to their needs during the entire period of visit. Human assistance (Mr. Shreekanth Suvarna B) will be provided for the Persons seeking information related to admissions and other matters, to visit the office and other facilities of the campus. Further, Mr. Rajesh Bangera is designated for assistive work including reading and writing any documents.

2. Wheel Chair

A wheel chair facility with an attendant is available for the use of differently-abled at entry point of the college, to facilitate easy and comfortable movement inside the campus.

3. Ramp

Ramp facility is provided for the safety of differently abled at strategic locations in the campus viz., entrance, class rooms, laboratories, washrooms, hostel mess etc.

4. Lift

The Institute buildings have Lift facility with emergency alarm switches, which can be used by differently-abled on priority basis, to utilize the academic facilities existing at the upper levels.

5. Signage facilities

There are directional sign boards displayed everywhere to different departments and other facilities of the campus facilitating hassle-free movement within the campus.

7. Provision for Scribe during Examinations

The Institute is committed to extend scribe facility for deserving candidates during the examinations by obtaining prior permission from the affiliated University.

8. Disabled - friendly wash rooms

The Institute has separate, well maintained, clean user-friendly washrooms with all the necessary amenities for the use of differently abled. In addition, there are safety sign boards, good lighting arrangements illuminating the campus at night and surveillance system providing secure environment.
