TULU SANGHA

1. Introduction, objectives and Expected outcome

Tulu is a Dravidian language spoken mainly in the south west part of the Indian state of Karnataka and also in the Kasaragod district of Kerala. The Tulu speaking region is often referred to as Tulu Nadu. The native speakers of Tulu are referred to as Tuluva or Tulu people.

Robert Caldwell, in his pioneering work on Comparative Grammar of the Dravidian or South-Indian family of languages, called this language "peculiar and very interesting". According to him, "Tulu is one of the most highly developed languages of the Dravidian family. It looks as if it had been cultivated for its own sake. Tulu is the primary spoken language in Tulu Nadu, a region comprising the districts of Dakshina Kannada and Udupi.
